THE MODERN HOME: DOMESTIC HELP AND RELATED ISSUES

Rabbi Yisroel Dov Webster, Shlita
Dayan, Yeshiva Emek Halacha

- May one allow domestic help to help prepare food for the family? Heat food? Is there a difference if the woman of the house is at home or not?
- What are the contemporary guidelines of Bishul Akum (modern ovens, microwaves, etc.) and its effect on the Jewish home that has domestic help or non-frum workers?
 - If I leave domestic help in my home what effect does that have on my dishes, pots, meat, milk, fish and wine?
- Is there anything that a person can do to insure that one's home will remain kosher with no shailos?
 - May a man on his day off stay in the house with domestic help? Can men/women daven, make brachos or learn in their presence (improperly dressed, etc.)?
- May one give food to a non-frum worker if they will not make a bracha or wash netilas yadayim?
- May I ask domestic help to wash my dishes/turn on the oven/vacuum/take out the trash on Shabbos or Yom Tov?
 - May I ask domestic help to turn on the heat/ac on Shabbos or Yom Tov?
 - If domestic help turns on the light for me, do I have to leave the room?
 - What can waiters/kitchen help do at a Shabbos Simcha?
- Practical applications of Lo Sichonem--gifts and payments to household help and workers inside and outside the home
