

ADAR IS A MONTH OF TEFILLA.

NOW IS THE TIME TO IMPROVE YOUR TEFILLA TO FORM A MORE MEANINGFUL AND SUCCESSFUL RELATIONSHIP WITH HASHEM!

Our tefillos broke Haman's decree to destroy the entire Jewish people during **THIS** time of year.

Please choose from the following to improve your daily Tefilla

Have Kavana in the first two p'sukim of קריאת שמע

Have Kavana in the first bracha of שמונה עשרה

In אתה חונן, daven to make the right decisions that day

In רפאנו, daven to Hashem for people you know to stay healthy

In ברוך עלינו, daven sincerely for your parnosa

In שמע קולנו, daven, among other things, for the success of your children

In מודים, thank Hashem for something specific

In שים שלום, daven for shalom in Klal Yisroel

Mark your success in having Kavana in the calendar below from Monday, February 19 until פורים
