

## **PRAYER FOR THE GEULAH**

May it be Your will, Hashem, our G-d and G-d of our fathers, that the prayers of Your nation Israel be received with favor, that we pray to You in every generation, in every place in the world, and particularly in the Holy Land of Israel. In the merit of these prayers may the scales be tipped so that You redeem Your nation Israel with a complete redemption with kindness and mercy, with miracles and wonders.

“And subjugate the blood (which is the kingdom of Edom), as well as the fat (which is the kingdom of Yishmael).” In the merit of all the truly righteous ones until today, in the merit of all the truly righteous ones that are with us today, and in the merit that we truly await to see the complete Redemption, we beseech You, Hashem, send to us immediately the Prophet Eliyahu Your servant, and reveal Melech HaMoshiach and cause him to rule over the nation of Israel and over the entire world. We beseech You, Hashem, do not turn us away empty-handed from before You, because in You we trust, answer us and do not delay. For Your salvation do we wait, Hashem. May the words of my mouth and the meditation of my heart be acceptable before You, L-rd, my Strength and my Redeemer.
