

Klal Yisroel,

'תפילות *our* בחסדי ה' *were answered and*
 בן מירל ריסה חוה *has been declared INNOCENT and he is*
home with his family in ארץ ישראל!

יעקב יוסף בן רייזל continues to languish in the Chiba Detention Center. He awaits a transfer to ארץ ישראל desperately. Every day that he must remain in Japan is so very difficult for him to bear.

The עסקנים in Japan have requested that whoever can write him a letter in Yiddish or לשון קודש should do so as he desperately needs our חיזוק.

Letters must be typed and can be emailed to japanpidyon@gmail.com or faxed to 718-534-0030.

Please continue to daven for
 יעקב יוסף בן רייזל
 to arrive home safely and quickly.

By writing to יעקב יוסף we can show him that he is not alone!

May we all have a כתיבה וחתימה טובה
 and merit a שנת גאולה וישועה.
