## **Kol Haloshon Live Shiur Schedule**

This document details a partial list of the shiurim we regularly carry **LIVE**.

To join a LIVE shiur in progress, on the main menu, listen for the system to announce, “For LIVE Shiurim, press \*.”

If this announcement is not made, **any shiurim you hear via the menus** are the archived ones and have been recorded previously.

If there are a number of LIVE shiurim in progress, you will be presented with a choice. If there are no shiurim and you press \*, the system will tell you that there are no LIVE shiurim at the present time.

We are in the process of adding new shiurim. If you would like to arrange a popular shiur to be available on our system, please call our Comments and Suggestions line, (718) 701-5157.

If you cannot connect to these shiurim when they are given **LIVE**, they will always be archived and can be heard by selecting the shiur through the menus

If you call in to listen to a scheduled shiur and the shiur hasn't started, you can listen to previously recorded shiur or call back a bit later. The times listed below are subject to change.

All Live shiurim are automatically saved in the archive and is generally in the archive right after the shiur is recorded. Sometimes, however, it may take a few hours.

It takes a minimum of 3 days for archived shiurim to be transferred to our website for download.

## Live Shiur Instructions

Press \* at the main menu to hear a **LIVE** shiur.

## Archived Shiur Instructions

During the playback of an archived shiur accessed through the various menus, the following keys can be used:

<u>Press</u>	<u>Function</u>
1	Back 10 seconds
3	Forward 10 seconds
4	Back 5 minutes
6	Forward 5 minutes
7	Slower Playback
9	Faster Playback
*	Lower Volume
#	Raise Volume
5	Pause Toggle Key (press once to pause, press again to resume)
20	While listening to a shiur, press 20 to create a bookmark. A bookmark is also created if you hang up in middle of listening to a pre-recorded shiur. <b>Multiple Bookmarks are coming soon. You must use 20 to use this feature.</b>
21	While listening to an archived shiur, jump to previous Shiur
23	While listening to an archived shiur, jump to next Shiur
8	To announce these instructions
0	To return to the previous menu

During the playback of an archived shiur, if you are calling from a public, unblocked phone, you can bookmark your current position by hanging up in middle of the shiur.

The next time you call from the same phone number, press # on the main menu to resume where you left off.

**Most shiurim on the phone system are now available for free at a Kol Haloshon kiosk. The shiurim are for personal listening use only and not to be resold by anyone.**

Using the kiosk, you can download MP3 files onto your flash drive, MP3 player, or ipod. (ipod users must export and reimport the shiurim on their home computer via iTunes to hear the downloaded shiurim).
