

To make your Shel Rosh smaller:

Say: לשם קדושת תפלין, then

1. Pull the strap marked with the arrow down, making the head-loop smaller.
2. Close the loop you just made under the knot by pulling up from behind (direction of arrow)
3. Close the second loop, made in step 2, by pulling down on the free-hanging part of the strap.
4. Keshet is complete.
