

ADAR IS A MONTH OF TEFILLA.

NOW IS THE TIME TO IMPROVE YOUR TEFILLA TO FORM A MORE MEANINGFUL AND SUCCESSFUL RELATIONSHIP WITH HASHEM!

Our tefillos broke Haman's decree to destroy the entire Jewish people during **THIS** time of year.

Please choose from the following to improve your daily Tefilla

- Have Kavana in the first two p'sukim of קריאת שמע
- Have Kavana in the first bracha of שמונה עשרה
- In אותה חוץ, daven to make the right decisions that day
- In רפאנו, daven to Hashem for people you know to stay healthy

- In ברוך עלינו, daven sincerely for your parnosa
- In שמע קולנו, daven, among other things, for the success of your children
- In מודים, thank Hashem for something specific
- In שים שלום, daven for shalom in Klal Yisroel

Mark your success in having Kavana in the calendar below from Sunday, March 9 until פורים
