## Men's French Connection Coat

A **French Connection** (Poland) men's coat, was brought to the Flatbush Shatnez Laboratory for testing.

The consumer obviously did not read the label. It listed:

- 48% Wool
- 28% Linen
- 10% Nylon
- 7% Rayon Viscose
- 7% Polyester

The look of these types of fabrics should raise a red flag, regardless of what the contents label lists!
