Meaningless Shatnez Claims

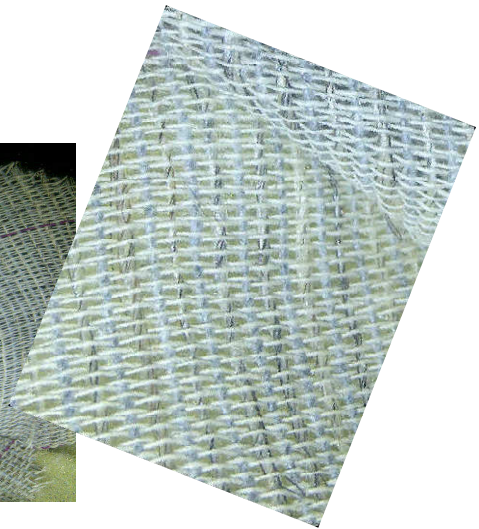

A **LA DEMANDAS** man's suit was brought to the Armentieres (France) Shatnez Laboratory for testing.

The suit was purchased in Israel, and on the contents label were the words "LO CHASHASH SHATNEZ" and "100% Wool".

However, R' Yaakov Sellam found a canvas fabric up the sleeve that contained linen threads. See Pictures below. The suit was 100% Shatnez.

The message: Any label that does not list the certifying shatnez laboratory's name is simply meaningless.
