Shatnez in Baseball Cap

Someone brought to the Monsey Shatnez Laboratory six baseball caps. Among them was a Chicago Bears cap made in the Dominican Republic of 100% wool.

Inside the rim, a black linen canvas/tape was used as reinforcement.

The cap has a tag certifying it as officially licensed by the NFL. Although some of the other hats were similarly marked, none had the linen reinforcement.

Found by: R' Chaim Rosenberg [Monsey Shatnez Laboratory]
