## “CHANEL”

The **Chanel** sweater jacket shown in the picture, was tested by R' Yosef Sayagh [Lakewood Shatnez Laboratory].

There was no content label attached.

Surprisingly, it contained threads of both wool and linen!

It was purchased in Manhattan.

The owner did not wear the sweater for an entire year because it was not tested for shatnez and there is no shatnez laboratory in her area of Manhattan. She eventually sent it to Lakewood for testing.
