Samantha Says Childs Jumper

This jumper shows that even inexpensive items can contain shatnez. This gray "Samantha Says" tweed jumper that was sold at Costco's for \$11.00 was found to contain Linen and Wool.

Its content label lists: 71% Polyester, 15% Wool, 7% Acrylic, 5% Rayon & 2% O.F.

This also shows that garments made from tweed or textured fabrics can contain wool and linen even though the label does not list them.
