Yes, you have to check every suit

Most suit manufacturer produce a line of suits and sell them under various brand names. A particular suit manufacturer is selling suits under a number of names, including **Eventi**, **Luciano Bardelli**, **Joseph Bach** and **Mattarozi Uomo**.

A number of suit stores claim that they are the sole importer or manufacturer of these suits and have guaranteed that their suits contain no shatnez. Most suits of these brands were free of shatnez. However, the Flatbush Shatnez Laboratory reported that shatnez was found in an **Eventi** suit. The Lakewood Shatnez Laboratory also reported that shatnez was found in a **Luciano Bardelli** suit.

**The poskim say that all men's suits require testing, even if many other suits of the brand were tested and were found to be free of shatnez.**
