Shatnez in Suits Made in China

Without a doubt, most suits available today are made in China.

Two brands of Chinese suits have linen reinforcements in unusual locations in the suit.

The two shatnez containing brand names are:

A) SUITSUPPLY

B) ELITE Eddie Domani

The tags from these suits are displayed in the pictures.

The discovery and analysis of textile materials in today's garments is challenging and ever-changing. These suits should be checked by a certified and updated Professional Shatnez Laboratory.
